P – Present

Based on our own practices and information from our suppliers, the listed allergen is present in the product as an ingredient, food additive or processing aid.

T – Trace

Based on our own practices and information from our suppliers, the listed allergen is stored at, or used to manufacture other items at the site where the product (or one of its ingredients) is produced.

A blank square in the above table indicates that the presence of the listed allergen or traces of the listed allergen has not been reported by our suppliers.

*Sulphites P = 10 mg / kg or more, T = less than 10mg / kg

- Allergen Information is based on standard product formulations as at date of publication.

- Please be aware that there is always a risk that traces of allergens may be transferred to a product during processing, storage or preparation at store level.

- For these reasons we cannot guarantee that any product sold is free from traces of listed allergens.

- If you have a particular sensitivity to any specific foods or ingredients, or if you have any other food allergies, intolerances or specific religious, ethnic or other dietary requirements, we strongly recommend that you contact us on 09 525 8700
